

# School Buses

## Ineligible pupils on buses

Children who are a certain distance from school in country areas are eligible to receive bus transport 'to the nearest school'. If parents choose to send their children to another school they have to pay for that service. Ineligible pupils have received a letter regarding this. Some misunderstandings occurred with the Hillend bus. This has been resolved in the short term and I working to solve the problem long term.

## North Balclutha Bus

*The North Balclutha bus is facing financial constraints. This has been explained previously and all users should be aware that the subsidy is insufficient to continue the bus at its current price. It will be reviewed at the end of this term.*

## High Visibility Vests

All children who travel on a school bus need to wear their fluoro vest when walking to and from the bus and while travelling on the bus. If you do not have a vest please ask for one at the school office. They have been supplied free to schools, for all bus children, by the South Otago Principals' Assn.

If you had a vest last year and no longer travel on a bus, please return the vest to the school office.

## Local Phone Books that have been ordered

Round Table Local Phone books are still being prepared for printing. We have been advised that they wont be ready for about 4 weeks. Our apologies for the delay.
