Teacher Parent Interviews 15/16 February

An opportunity to meet teachers, set goals for the year and discuss your child's learning. We have set up an electronic interview booking time, same as last year. NB: School will be closed for instruction from 12.30pm on Tuesday except for year 8 pupils who will attend their technology class at the SOHS. Buses will run at the normal time. Please contact the

school if this is a problem for you. The website address is www.schoolinterviews.co.nz
Enter the code SWNHS.

This will allow you to book the interview time and it will be confirmed by email to you. I realize that not all parents have access to the internet so if you wish us to enter a time please fill in the interview request form below and return it to school and the office staff will do it for you. We aim for 100% attendance.
